Climate Action Fellowship Opportunity

The UC Office of the President has created the President’s Sustainability Student Fellowship/Internship Program. With supplemental support from the UC Irvine Sustainability Initiative, we are proud to announce the UC Irvine solicitation for three Climate Action Fellowships:

$2,500
Two general fellowships of $2,500 each to support climate action research and/or internships, and

$4,000
One fellowship of $4,000 for a Climate Communications and Engagement Fellow.

Projects may address a broad range of topics related to the goals of carbon neutrality and sustainability, including, but not limited to, environmental justice, climate justice, resilience, regeneration, adaptation, and mitigation.

Application Deadline Extended: February 18, 2015
