The Sustainability Initiative is now accepting applications for the 2016-17 Global Food and Climate Neutrality Student Fellowship positions. These opportunities are sponsored by the UC President’s Global Food and Carbon Neutrality Initiatives.

**Application Deadline: May 27, 2016**

---

**Global Food & Climate Fellows**

Four, on-campus internships will enable graduate and undergraduate students to contribute significantly to a select group of projects.

**Global Food & Climate Ambassadors**

Two, Global Food and Climate Ambassadors* will serve as the student engagement ‘go-to’ person for the UC Irvine campus.

*Preferrence will be given to students who have already served as a fellow in the past.
