

U.S. GREEN BUILDING COUNCIL
 LEADERSHIP IN ENERGY AND ENVIRONMENTAL DESIGN (LEED)
 GREEN BUILDING PROGRAM

14 Platinum NC Awards

10 Gold NC Awards

LEED certification provides independent, third-party verification that a building, home or community was designed and built using strategies aimed at achieving high performance in key areas of human and environmental health: sustainable site development, water savings, energy efficiency, materials selection and indoor environmental quality. The University of California, Irvine now has a total of 24 Platinum and Gold LEED buildings, among the most at any university in the United States.

LEED Platinum for New Construction
